St. John Nepomucene Catholic
401 East Lampasas St. Ennis, Texas 75119

Dear Parishioners,

A Census is necessary for our parish. Our records are outdated. Individuals have moved out of our parish, individuals have moved into our parish, and information has changed. It will provide correct information, will help us identify the makeup of our parish, better serve your needs, and discover the skills and talent within our parish.

Thank you for participating in St. John Catholic Nepomucene Catholic Church Census.

In Christ Jesus,

Father John Dick
